

Please join St. Ignatius for the  
**Habitat for Humanity**  
Volunteer Day

Saturday, Dec 6, 2003  
8:45am - 4:30pm

On Mission Street in SOMA, SF

HHSF helps low-income families build and purchase their own homes.  
Help build a great home for a wonderful family!  
The SOMA project will house 8 families-  
16 Adults and 20 Children.  
It is the tallest Habitat structure in the World!

Volunteer - help build

Anyone can volunteer (Age 16 and up)  
No construction experience needed!  
Just bring a big heart!
