St. Ignatius Shelter Meal Program
Please volunteer to cook, deliver food, or serve home cooked, nutritious meals to homeless members of our community. We cook and serve on the second and fourth Saturday and Sunday of each month. We gather at the Xavier Kitchen in Fromm Hall on the USF campus. No cooking experience required. Bring the whole family (kids are welcome), friends, co-workers, and neighbors. Learn the art of cooking for 300 people plus great recipes.

Currently, we are in great need of volunteers to deliver the meals in the afternoon for each meal day. We also need fresh baked homemade desserts, which you bake at home and drop off at the kitchen during meal prep hours. Please also consider supporting us through donations. For more information or to volunteer (you can sign up on line), go to: http://stignatiususf.org/?page_id=206 or call our volunteer coordinator, Bill Pisaruck.
